

PROFILE

I am ambitious, responsible, adaptable, creative and hardworking person who is always with a smile on the face. I am always positive, and I see solutions before problems. My planning is realistic, and I strive to complete my tasks properly and on time. I like jobs with social interaction, want to hear different experiences as well as sharing mine. I am focused on opportunities and like challenging myself. My curiosity has helped me to get a lot of experience, see different cultures, learn different languages and I am open for more, even more exciting ones.
